

Before you begin

We know all children are different and some will love dance and some may not. They will never know until they try.

To keep things simple we ask that you start by enrolling in an age appropriate class. This allows your child to have age appropriate material that will be fun yet challenging. A one time \$30.00 new student registration fee enrolls your child in our program and she will receive a FREE leotard to wear to class each week. Tuition will be due by September 15.

We never require dance shoes until October. This allows your child to try dance without much expense. A leotard and barefoot or socks is fine for the first month. We hold a "Swap & Shop" in late September where both new and used dance wear will be available. We see no sense in purchasing dance shoes before October. This allows your child time to make sure she likes dance before you spend anything on classroom footwear.

To give you an idea of expense of dance attire - new tan tap shoes are \$26.00, pink leather ballet shoes \$17.00, tights \$10.00.

We do require pink leather split sole ballet shoes and tan tap shoes by October. Any color or style of leotard and tights are fine. We have a small dance shop at our Mexico studio where you can try on shoes and leotards but you are welcome to purchase them at any department store or on line. Again we offer "Swap & Shop" to our dancers to provide them with an easy way to get affordable dance wear.

We have enclosed a schedule of Classes Offered in Centralia and if you are interested please fill out the form below and return it before August 1. Classes will start August 25 due to an earlier recital date for our spring show in Mexico (see Big Changes also enclosed)

We would love to have you dance with us at either our Centralia or Mexico location. Please let us know what works best into your schedule.
