

Before you begin

We know all children are different and some will love dance and some may not. They will never know until they try.

To keep things simple we ask that you start by enrolling in an age appropriate class. Your \$30.00 new student registration fee allows your child to try dance through September. If your child likes the program tuition will be due September 30. If, however, your child is not happy in the program you may let us know and we will take her name off of our roster and you will not be charged for the class.

Also, we never require dance attire or shoes until October. This allows your child to try dance without much expense. Comfortable clothing and barefoot or socks is fine for the first month. We hold a "Swap & Shop" in late September/early October where both new and used dance wear will be available. I see no sense in purchasing dance wear and shoes before October. This allows your child time to make sure she likes dance before you spend anything on classroom clothing.

To give you an idea of expense of dance attire - new tan tap shoes are \$26.00, pink leather ballet shoes \$17.00, leotards \$10.00 - \$25.00, tights \$8.00 - \$10.00.

We do require pink leather split sole ballet shoes and tan tap shoes by October. Any color or style of leotard and tights are fine. We have a small dance shop at our Mexico studio where you can try on shoes and leotards but you are welcome to purchase them at any department store or on line. Again we offer "Swap & Shop" to our dancers to provide them with an easy way to get affordable dance wear.
